

Reaching Your Goals

Last Updated Thursday, 13 August 2009

Our focus is to provide individual attention to each athlete, to enable him/her to fulfil his/her full athletic, academic, intellectual and social potential. We strongly emphasize self-reliance, commitment and strong work ethics in order to fully develop well rounded graduates who will be highly employable and can begin their professional careers in various sport related industries.

ITAGC College provides student with the best golf training from different world class coaching teams around Australia. Its Robina Glades Campus based at Glades Golf Club on the Gold Coast in Queensland and it is ranked the number one golf resort in Australia and Greg Norman designed the 18-hole championship golf course.
